

VAMSI LABS LTD. (R&D Centre)

Occupational Health and Safety Policy

We are committed to continual improvement in OH & S management system and its performance is continually assessed through monitoring and compliance of legal and other requirements.

We focus on providing safe and healthy working conditions for prevention of work related injury and ill health throughout the company. We will eliminate hazards and reduce OH&S risks, take consultation and participation of employees to create an environment that enhances wellbeing of all our employees.
